WELCOME`

As the Clerk of the Course for the Champions Yacht Club K-1000 Rally 2019 it's a pleasure for me to present our event in 2019. This event does not need an elaborate introduction for any Rallying buff in the Country, but we still thought it appropriate that we make this year's event even more informative. **This year's rally is being held within the area of Khoday India Ltd., almost in the heart of Bangalore City. Our very special thanks to the Khoday Family for making this happen.**

THE EVENT & HISTORY

Motorsports in particular has been growing in popularity among today's youth. This is mainly due to the influx of different models of vehicles into the market, thereby increasing the "REACH" among motor sporting enthusiasts.

We at Karnataka Motor Sports Club (KMSC) have been organising different forms of motor sporting events for more than five decades. The KMSC owes its origin to "Bangalore Motor Cycling Club". KMSC is also the founder member of the Federation of Motor Sports Club of India which is the sole governing body for Motorsports in India.

We conduct various events for two wheelers and four wheelers every year which includes National Rally events, Sprint Rallies, Autocross, Picnic and TSD Rallies, Trail events, etc.,

This edition of the K1000 Rally is the 44th edition of this iconic event which was first held in 1975. We have a special emphasis on safety this year and our rally is running on completely private roads less than 20 kms. from Bangalore City.

THE ROUTE

The rally starts on Saturday, 23rd of November 2019 from within the confines of Khoday India Ltd. located at Amruthnagar, Bangalore for the special stages which are only about 400 meters away.

On Sunday the 24th of November 2019, the action in the morning continues at the same location.

The total distance of the rally would be approximately 140 kms of which 125 kms form the special stages on dirt roads, promising spectacular viewing and scenery.

The rally gets its continued support year after year from the Government, the Police, and the sponsors, making it one of the most prestigious events in the Indian Motor Sports calendar. There are also a dedicated team of Motor Sport enthusiasts assisting on the sidelines for efficient running of the event. They are the HAM co-coordinators, Doctors, Marshalls, not to mention others.

Once again, welcome to the K-1000 Rally 2019!

Shyam Gopinath
Clerk of the Course

Bangalore is home to numerous industries across sectors such as software companies, automobile and electronics companies. Bangalore is known as the Silicon Valley of India owing to its pre-eminent position as the leading contributor to India's IT industry.

Climate

Due to its high elevation, Bangalore usually enjoys salubrious climate throughout the year, although freak heat waves can make things very uncomfortable in the and the hottest month is April with an average high temperature of 33.6 °C. The highest temperature ever recorded in Bangalore is 38.9 °C and the lowest ever is 7.8 °C (on January 1884). Winter temperatures rarely drop below 12 °C (54 °F), and summer temperatures seldom exceed 36–37 °C (100 °F). Bangalore receives rainfall from both the northeast and the southwest monsoons and the wettest months are September, October and August, in that order.

Transport

The [Bengaluru International Airport](#) is located in Devanahalli.

App based Taxi Services such as Uber / Ola and Rickshaw Services (App or Cash based) are easily accessible.

Buses operated by the BMTC are also a means of public transport available in the city.
